Sir,

In submitting herewith a refund bill for Rs 5-13-8, with its enclosures, being the amount payable to the marginally noted persons I have the honor to state that the Excise Supervisor, Chamarajanagar Range, inspected the bonded depôt at Chamarajnagar on 27th June 1898 and found a deficit of 2 gallons and 15 drams, of which 1 gallon and 8 drams belonged to Government and the balance of 1 gallon and 7 drams to arrack Vend farmers. on receipt of the report, orders were issued to recover the duty and price from the Government Contractors' Agent in charge of the depot as he could not account for the deficit. Accordingly the amount was recovered, but instead of crediting to Government only Rs 5-15-2 being the duty and price of 1 gallon and 8 drams of arrack belonging to Government; the whole amount of Rs 11-12-10 has been credited to Government.

	Duty	Cess	Price	Total

I have the honor to be
